

21st November 2019

Dear Families,

We would like to invite a member of your family to our Grandparents Tea Party at Perdiswell Primary School on Wednesday 4th December at 9:10am until 9:45am.

This is to support learning about our history topic 'Memory Box'. We will be thinking about how childhood has changed over the decades and how memories can be preserved.

Ideally this family member would be a Grandparent, as they will have a personal perspective about how childhood has changed over a period of time. We appreciate that many Grandparents live far away or have work commitments that will not permit them to attend; therefore another family member will be most welcome to attend instead. If a Grandparent is unable to attend but would like to complete a questionnaire, please ask the class teacher for one to be sent home.

The guest will also be treated to performances by the children and refreshments (cold drink and biscuit) will be provided.

For our history topic please could you provide:

- 3 photos to create a timeline, a current photo of your child (date on reverse), and a grandparent as a child (date on reverse). Copies of photos would be ideal by Monday 25th November.
- A shoebox to transform into a memory box by Friday 22nd November.

Thank you for your help, we look forward to hearing your memories.

Kind regards,

Mrs Etherington

Mrs Pagett

Mrs Cheyne
