**Year 6 Pupil, Parent, Teacher Learning Reviews - Class 6R
Monday 3rd February 2020**

Dear Parents/Carers

Our Year 6 Parent Consultations with you this term offer a more meaningful opportunity to meet and celebrate your child's strengths and areas for further development.

Therefore, on **Monday 3rd February 2020, your child will lead a 15 minute meeting** to celebrate their learning to date and what they need to further improve. Your child will have prepared a presentation of this information and with support from Mr Rhodes and myself, present this to you.

This presentation allows your child to take ownership and responsibility for their learning and for us to discuss how school and home can support them where they feel they need it. We want them and you to feel we are listening, supporting and challenging your child so that they reach their full potential.

Please note that it is one appointment time per child so any separated parents we request that you see the teacher together, otherwise you can understand that the number of appointments may not fit within the times given. If you feel that this may be a problem, then please contact the school and ask for myself or Mr Rhodes, as we do not wish for anyone to be uncomfortable.

A range of appointment times are offered through the day and into the evening to meet everyone's needs and we do hope that every child and their parent/s will attend.

Appointments can be made online via the Parents Evening System from 8:00pm on Friday 10th January and will close on 30th January at 10:00am. Should you wish to make any changes after this date please contact the school office.

Please visit <https://perdiswell.parentseveningsystem.co.uk> to book your appointments.

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf.

Yours sincerely

Rachel Hughes
