Dear Families

Thank you to all those parents who attended the Parent Forum meeting on Tuesday evening and contributed so many comments and suggestions. It was a really positive meeting where I hope, everyone felt comfortable and encouraged to share their views. This is when we know that we are evaluating the effectiveness of the school together.

You should all have received a letter today about June 8th voting day and our decision to close but re-open on Monday 5th June when we should be having our TEday. If you have not received the letter, please look on our website under Parent Information, Letters to Parents.

As I have indicated previously, our maintenance programme is well under way and includes an expansion and face lift of our front entrance foyer and reception. This was identified over 12 months ago as a significant need and I am delighted that we are able to go ahead, starting in the next half term holiday. This will affect children's late entry into school and parents speaking to office staff but alternate arrangements will be shared closer to the time.

Music

A message from Marie McNally: "Wanted - a young musician to share a 'Dood' lesson with another beginner! We have someone wanting to start in a group but no group to share her time with. A Dood is a small recorder sized instrument with a reed that plays in the same

way as a saxophone or clarinet. Very inexpensive at around £20 and even dishwasher proof! Also a reminder that Drums and Recorders takes place on a Thursday lunchtime. All welcome, £12 per term - first term free! For further information please contact me on mariesaxvox@gmail.com.
