

Perdiswell Primary School

Sports Premium Report 2018-19

PE and Sport Overview

At Perdiswell Primary School, we have always believed in the development of each child and focused on ensuring that our pupils leave with not only a sound understanding of academic subjects, but also with a strong set of life skills. One element of these 'life skills' is to ensure all children understand the importance of an active and healthy lifestyle. Throughout school life we ensure that we expose our children to not only the theory but provide them with lots of practical experience and a love of physical activities too.

In 2013, in the aftermath of the Olympics, the government decided to provide additional funding to schools to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary schools across the country. This funding can only be spent on the provision of PE and sport in schools.

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in Perdiswell Primary School against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Academic Year: 2018/2019		Total fund allocated: £11,387 – Nov £8,133 - June Total = £19, 520					
PE and Sport Premium Key Outcome Indicator	School Focus/ planned Impact on pupils	Actions to Achieve	Planned Funding	Actual Funding to date	Evidence	Actual Impact (following Review) <i>on pupils</i>	Sustainability/ Next Steps
